

## **DREAM (Diabetes Research Envisioned and Accomplished in Manitoba) Trainee Day**

Wednesday, November 6th, 2023, 1:00 – 6:00 p.m.

### **Abstract and Presentation Guidelines**

We are **now accepting abstract** submissions from ALL diabetes researchers (including undergraduates and graduate students, post-doctoral fellows, residents, fellows, technicians, research associates and community members) who have research projects in any field related to diabetes.

The deadline to be considered for oral presentations at the 13<sup>th</sup> Annual DREAM Symposium is 11:59 p.m. CST **August 15, 2024**. The deadline for poster presentations is 11:59 p.m. **CST September 15, 2024**. Please send your submissions in a word document to [dream@chrim.ca](mailto:dream@chrim.ca).

Abstracts should be submitted using 12-point font, with a maximum of 300 words, excluding title, authors, and affiliations. Abstracts should be broken down into clearly identifiable components of Background/Introduction, Methods, Results, and Conclusions/Importance. The abstracts and posters should clearly state the research findings and should not be open-ended.

### **All submissions will be asked to do a poster presentation in the format below:**

Dimensions: 90cm width and 60cm length (QR code is optional)

#### **Poster Session Details:**

The poster session will be held on Nov. 6<sup>th</sup> from 4:00-6:00pm (location TBD). The presentation will be 7 minutes total (5-minute presentation followed by 2 minutes of questions).

#### **Oral Presentations:**

The top 6 abstracts (3 x clinical research, 3 x fundamental science) will present their research at the 13<sup>th</sup> Annual DREAM Symposium on Nov. 7<sup>th</sup> with a PowerPoint presentation. The presentation will be 15 minutes total (10-minute presentation followed by 5 minutes of questions). The individuals who have been selected to present will be notified in mid-September.

University  
of Manitoba

**Awards:**

Financial awards will be given to the top 3 presentations.

**Travel Assistance:**

With support from MyRoad (Maximize your Research on Obesity and Diabetes), the top 10 external submitted abstracts will also receive travel grants to present their poster and attend the DREAM Trainee Day and DREAM Symposium in Winnipeg, Manitoba.

To apply for the travel award, please provide the following information in one document using 12-point font with your abstract:

1. Please provide a brief description of your training path so far and, if relevant, how your lived experience may have influenced your progress. (max. 250 words)
2. Please provide a brief description of your most significant achievements so far (scientific or other) and how those achievements have prepared you for the activity you are applying for in the present funding call. (max. 250 words)
3. Please provide a brief description of how this award will contribute to academic and career progress. (max. 500 words)
